

CSR Activity for 2015

In cooperation with the City Government of Valenzuela, Jesus is Our Life Ministries, Inc. (JOLMI) and other affiliated publicly listed companies, a gift giving and feeding program entitled “**Pay it Forward**” was conducted to the chosen beneficiary of the company, **Bahay Pag-asa ng Valenzuela**, last January 31, 2015.

Bahay Pag-asa ng Valenzuela

The center as supervised by the City Social Welfare and Development Office (CSWDO), housed juvenile delinquents who have committed crimes within the city instead of having them sent to congested and overcrowded mainstream prisons.

The 650-square meter Bahay Pag-asa is located at R. Jacinto St., Canumay West, Valenzuela City. The building boasted a Mediterranean villa-styled architectural design and featured facilities such as segregated sleeping quarters for boys and girls, a dining hall, a prayer room, several isolation rooms and round-the-clock security cameras among others.

The center offers various programs for rehabilitation, such as education, spiritual healing, among others that are geared towards eventual re-integration of the children in conflict with the law (CICL) to their families and to the community.

Below are some of the pictures:
